

Haemophilia Academy

The future of the Haemophilia Academy

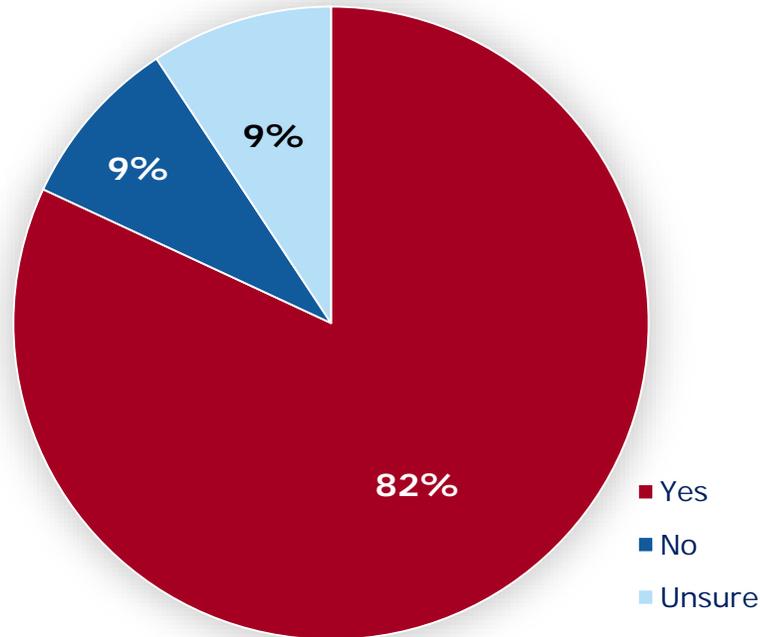

Professor Christopher Ludlam
Chair, Haemophilia Academy

272 alumni!

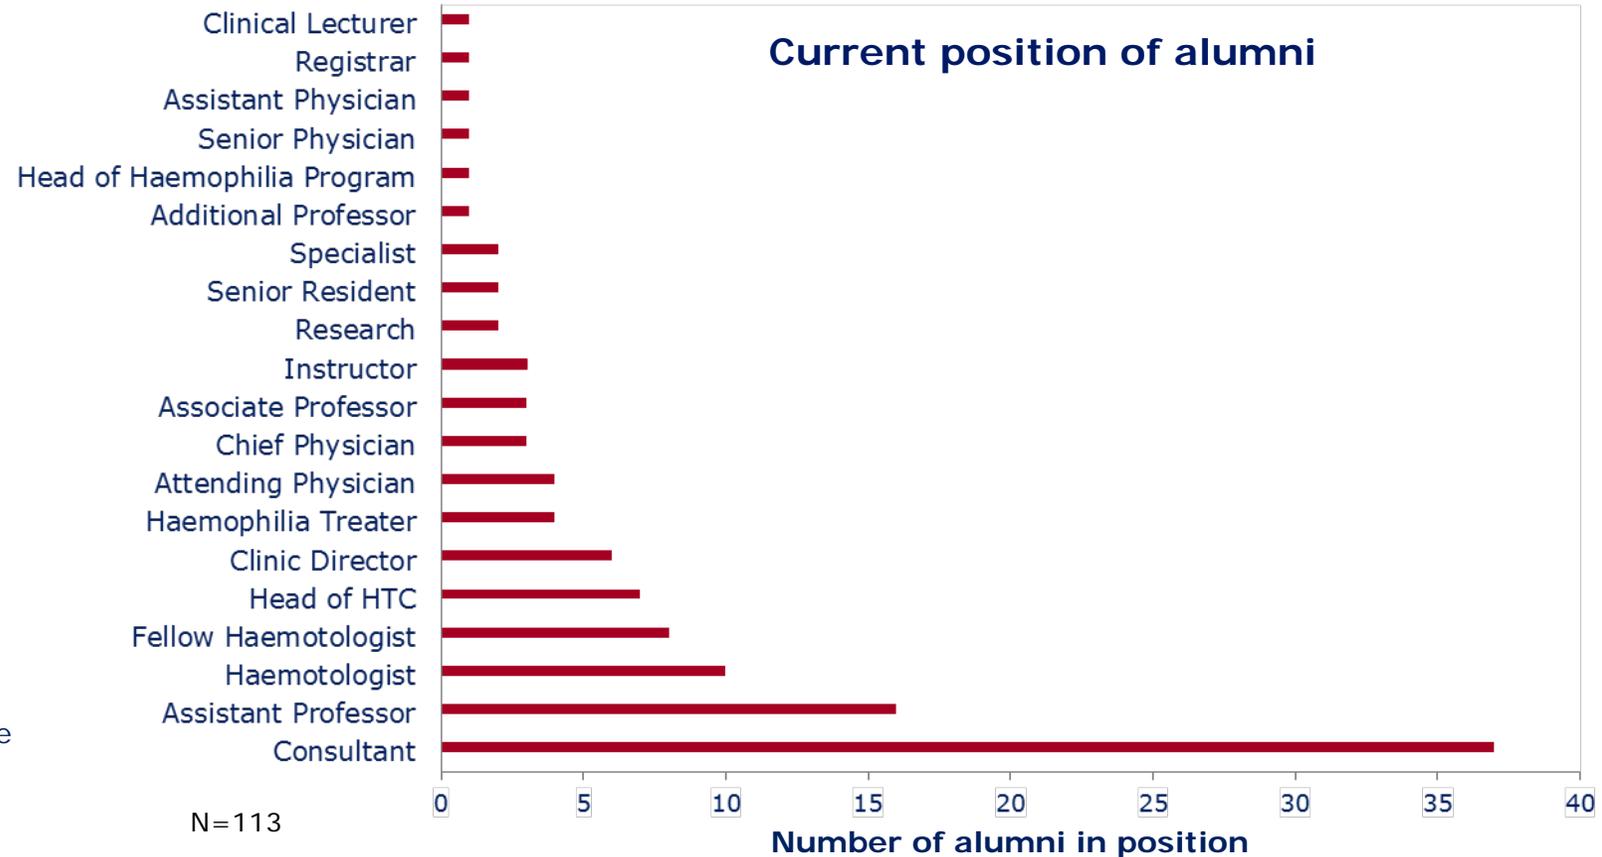

- Many alumni have pursued careers with a focus on haemophilia and allied bleeding disorders
- 216 alumni details collected (from 272 in total)

82% of alumni have stayed in the field of haemophilia

N=216

N=113

Networking and ongoing collaboration

- We have been building a global network of collaboration in haemophilia for ten years
- Alumni surveys and follow-up help to track career progression
- Keep in touch with alumni at annual 'reunion' alongside ISTH or WFH
 - Opportunity to network and share experiences
- A high level of referral/recommendation to apply from past-participants to their colleagues

Success of the Haemophilia Academy

- ✓ Enthusiasm of participants
- ✓ Commitment, inspiration and enthusiasm of tutors
- ✓ Participative, interactive and annually changing programme
 - Designed and delivered by the expert tutors
 - Reviewed and refined
 - Guest speakers and different topics each year
- ✓ Topics relevant to every day clinical situations
- ✓ Organisation by AXON is faultless!
- ✓ Novo Nordisk support has made it all possible
